Not much in the way of competitions at the moment, so just a newsletter to remind you of a couple of important events in the next month.

The highlight of the Winter
THE ANNUAL DINNER-DANCE &
Presentation of Awards
including the Lowlands Speed Championship

IN THE LOCHSIDE HOTEL, NEW CUMNOCK
(on A76 1 Mile north of New Cumnock)

Tickets £25.00 available from

The East Ayrshire Dance is always a great night out, attracting revellers from all over Scotland. There will be a live band and the usual superb meal we have come to expect from the Lochside. The tickets represent excellent value, so why not bring along a party of friends.

It is a good opportunity for the younger members of the Club and the all-important marshals to rub shoulders with some of the stars of sprinting, hill-climbing, rallying, etc.

Donations of raffle prizes would be appreciated.

AUTOTESTS JANUARY 22ND

The opening competition of the 2012 season is an autotest meeting at Kames on Sunday 22nd January. This is part of the joint series with Scottish Sporting Car Club so a good entry is expected.

Even if you are not competing, a visit to Muirkirk will provide some lively spectating and a chance to have a blether with other members.

Further autotests are scheduled for Kames on Sunday 19th February and Saturday 10th March.

THE EACC
ANNUAL GENERAL MEETING
will be held in
Muirkirk Caravan Park
on Thursday 27th January 2012
at 8 p.m.

A large turnout is requested if only to show your appreciation of the good work carried out in the last twelve months by Club directors, marshals and other officials.

This is also an opportunity to make suggestions or ask questions on the running of the Club and to learn more about plans for the future.

The Chairman will report on the 2011 season's activities and the Treasurer will make his financial statement for the year. The Board of Directors will then be appointed for the coming year.

Please be prompt.

Cameron Fair was second in class with his Peugeot 205 in the Scottish Sporting Car Club Autotests at Johnstone in December, but Paul Dailly collected two maximums.

We note there are already 4 names down for the test day on March 17th, and 18 for the following day so with two full months to go the remaining spaces will be in demand. If you want to be there better contact Ian Clark on 01290 408192.

It is worth checking the Club's website regularly for updates. The private hires at Kames can throw up some interesting bookings, for example. It looks like the Rally Formula 1000 will be at Kames on September 15th and 16th and the well-attended Ford RS Owners Club day is on Sunday 3rd June.

With the Club History (1963-1989) having sold around 210 copies of the 250 ordered, it is recommended that any member wishing a copy should not delay too long as the stock is dwindling quite rapidly. Robert Smith has the second part of the history well under way and is urgently seeking photographs, EACC magazines and results between 1990 and 2011. Also members competing at non EACC events.
